Specifications

Technical specifications

- Shape: Candle
- Wattage: 28 W
- Wattage standard bulb: 40 W
- Fitting/Cap: B22
- Voltage: 240 V
- Lifetime of lamps: 2 year(s)
- Lifetime of lamps: 2000 hour(s)
- Color rendering index (CRI): 100
- Dimmable
- Color temperature: 2800 K
- Energy efficiency label: C
- Lamp dimension (height): 94.5 mm
- Lamp dimension (width): 36 mm
- Mercury content: 0 mg
- Starting time: instant start s
- Lumen: 346 lm
- Light effect: Frosted

Highlights

Energy efficient
All Philips energy savers save energy from the moment you turn the switch. During their lifetime they use fewer kW and thus also result in a lower energy bill. The level of energy saving differs per lamp type and technology.

Carbon footprint
Energy savers reduce the amount of energy in your home, which results not only in a lower energy bill, but also in less carbon (CO2) output by your energy supplier. Together we make this a better world to live in.

Bright sparking lighting
Clear halogen is a sparkling light, giving beautiful reflections where it shines, and sharp shadows where it doesn't. Gives a decorative light effect to your room, to bring your room to life.

Best dimmability
This lamp can be used in combination with all dimmers and will not only turn down the light to 0% but also create a cosy atmosphere as you are used to with your incandescent.

Classic shape
These lamps are designed to look like a traditional incandescent bulb, candle, lustre or spot. Similar look and feel, but a smarter investment.

Instant start
Immediate light when switched on: that is the promise of our instant starting energy-saving lamps.
